

ELEVATE THE DINING EXPERIENCE WITH CONVENIENCE OPTIONS

Dynamic menus

Menus are updated in real-time, up to date with the latest version compared to the static nature of printed menus. QR code pulls up the menu for that restaurant and table.

Fewer staff needed

Self-service ordering frees staff to give a better service experience. Eliminates bottlenecks at the ordering and payment process.

Promotes health and safety

Contactless ordering as residents and guests uses their own device.

Sustainability and reduced cost

Promotes sustainability by eliminating paper and reducing printing costs.
